WEEKLY REPUBLICAN—1887.  
DAILY PUBLIC LEDGER—1899.

MAYSVILLE, KY., TUESDAY, APRIL 21, 1908.

ONE COPY—ONE CENT.

NIGHT RIDERS.

Oh, bad new name!  
Bred by ignorance, born of hate;  
Up from the halls of Hell you came  
And stormed the portals of our fair State.

At midnight hour  
You prowl and burn and scare the weak.  
Your grandaids, Devil, gives you power;  
He cares for his own and guides your work.

You tramp the road  
Made sacred by Davis, Lincoln and Clay;  
And "You—You—"  
O, my Kentucky! My Kentucky! Where heroes  
bode.  
Will you, must you, shall you  
Be disgraced away?  
—Mrs. C. C. D.

While the World Laughs and Chuckles With Jolly Merriment

Last Saturday's PUBLIC LEDGER contained an alleged poem under the goat. The fourth line of the third verse read as follows—

"All decked from foot to crown,"

It should have been printed as follows—

"All decked in brown from foot to crown."

The entire office force from Editor to devil pleaded not guilty to the charge of poetic assault and the copy even was destroyed—probably the Goat ate it.

And the next day was Easter.

"Now wha'-der-yer-think of that?"

### Bill Given a Hearing in the House of Representatives

A hearing was given a day or so ago by the House Library Committee at Washington on the bill introduced by Mr. Madden of Illinois, authorizing the expenditure of \$100,000 toward the building on the farm in Larue county, Ky., where Abraham Lincoln was born, of "A National patriotic shrine, which shall consist of a Memorial Hall costing not more than \$250,000, of which \$150,000 shall be supplied by the Lincoln Farm Association of New York."

One hundred thousand dollars already has been raised by the Association through popular subscriptions, and by the terms of the bill the remaining \$50,000 must be forthcoming within the next twelve months in like manner.

The wedding has been kept a secret for some time, but the parents of the young couple were told of it about three weeks ago. Warren is in the employ of the Dan Cohen Shoe Company. They are residing at the home of the wife's parents on Park avenue."

Of Lexington, Succeeds Prof. W. C. Coryell as Principal of Maysville High School

Mr. A. O. Bowden of State University, Lexington, accepted the position as Assistant Principal of the Maysville High School to take the place vacated by Mr. W. C. Coryell, and will assume his new duties this morning.

Prof. Clinger, the Superintendent of the Maysville High School, was at State University yesterday morning, and after interviewing the various Professors, asked Mr. Bowden if he would accept the position and leave immediately, which he agreed to do. Mr. Bowden is a Senior classical student at State University, and on account of his excellent record in College he will be given his diploma at Commencement and receive his degree just as if he had attended the full year.

This morning when Professor Bowden appeared, the students, boys and girls, grabbed their books and marched out of the building in a body.

This unfortunate trouble has only begun and the fight is getting more personal every day.

FOR VICE-PRESIDENT,

REPUBLICAN TICKET.

FOR CONGRESS,  
Hon. JOSEPH B. BENNETT.

FOR DELEGATE TO NATIONAL REPUBLICAN CONVENTION.

We are authorized to announce W. D. COCHRAN of Mason county as a candidate for Delegate to the National Republican Convention at Chicago in June, subject to the action of the Ninth District Republican Convention to be held at Carlisle, Ky., in May, 1908.

#### CALL FOR REPUBLICAN COUNTY CONVENTION.

Pursuant to the directions of the party authorities, the Republicans of Mason county are called to meet in mass convention at the Courthouse in Maysville on Saturday, April 25th, at 1 o'clock p. m., standard time, for the purpose of selecting, by viva voce vote, delegates to the District Convention, to be held at Carlisle, Nicholas county, on May 5th, at 11 o'clock a. m., and the State Convention to be held at Louisville on May 6th at 1 o'clock p. m.

The District Convention at Carlisle is for the purpose of electing two delegates and two alternate delegates to the National Convention to be held at Chicago, a Presidential Elector for the Ninth District and a member of the State Central Committee.

The State Convention at Louisville is for the purpose of electing four delegates and four alternate delegates-at-large from the State to said National Convention.

W. D. COCHRAN, Chairman County Committee.

SENATOR-ELECT BRADLEY knows he is misrepresenting conditions in Kentucky and other States when he declares that TAFT cannot carry his party's full strength with him in his race for the Presidency.

#### Bradley's Cant

Already Disgusting His Party.

It is the same old dodge that never fools anyone except the densely ignorant. Mr.

BRADLEY is merely a politician of the aggressive school and is never a constructive statesman, and, therefore, he is diametrically opposed to President ROOSEVELT's policies.

If there ever was any question upon which Republicans and Democrats meet on common ground it is in the work mapped out by THEODORE ROOSEVELT, because he advocates a square deal for every man and is working solely for the common good.

If you stand for ROOSEVELT you should stand for the nomination of Judge TAFT, who alone of all the candidates is indorsed by the President and is pledged to finish the great work of the man who does things—THEODORE ROOSEVELT.

Republicans of Kentucky, hold up to the light of comparison WILLIAM H. TAFT and WILLIAM O. BRADLEY. Don't permit the man who has not yet donned the Senatorial toga to mislead you with his political cant which has already disgusted his party.

#### DECIDE YOURSELF.

The Opportunity is Here, Backed by Maysville Testimony.

Don't take our word for it. Don't depend on a stranger's statement. Read Maysville indorsement. Read the statements of Maysville citizens. And decide for yourself.

Here is one case of it: J. M. Lloyd, farmer, Rural Free Delivery, No. 5, Maysville, Ky., says:

"I am only too pleased to tell of my experience with Doan's Kidney Pills and hope that it may be the means of benefiting other sufferers of kidney troubles. About five years ago my kidneys suddenly became disordered and for several months I was bothered by constant dull pains across my back and through the loins. When I stooped or lifted, sharp twinges shot through my body and caused me the most intense suffering. Learning of Doan's Kidney Pills, I purchased a box at J. J. Wood & Son's Drugstore and began using them. The contents of this box effected a complete cure and since then I have not had a touch of backache or any other trouble arising from inactive kidneys."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

## Time-Defying Paint

In Mastic Mixed Paints you get pure lead, zinc and oil ground to perfection with modern machinery. You get just what you ought to have—a paint that spreads best, covers most and lasts longest.

Many of the paints commonly supplied are fraud mixtures, containing whitening, benzine, soap and cotton seed oil. They look as good as any paint when put on, but the wood is exposed in a few months. Such paints would be an extravagance if you got them free—the labor costs you more than paint. Let us supply Mastic Paints with our guarantee back of them. Everything else in Paints.

## WOMAN'S POWER

The healthy woman, strong mentally and physically, whose ambition and magnetic influence urge men to deeds of grandeur and heroism; such women are all-powerful.

Weak, sick and ailing women have little ambition; their own troubles occupy all their thoughts. They dwell upon their pains, suffer from nervousness and headaches; often are extremely melancholy, and avoid society. For thirty years

LYDIA E. PINKHAM'S VEGETABLE COMPOUND has been saving women from this awful condition.

Mrs. Louise Jung, of 332 Chestnut St., Detroit, Mich., writes:

"I suffered from a very severe female weakness for a long time. Lydia E. Pinkham's Vegetable Compound, restored my health. I hope it will do other women as much good as it has me."

Mrs. Emma Wheaton, of Vienna, W. Va., writes to Mrs. Pinkham:

"I was a walking shadow. My husband insisted upon my writing to you and trying Lydia E. Pinkham's Vegetable Compound, which I did. It relieved all my pains and misery, and made of me a very different woman."

#### FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, irregularities, periodic pains, backache, that bearing-down feeling, dizziness, or nervous prostration. Why don't you try it?

Mrs. Pinkham, at Lynn, Mass., invites all sick women to write her for advice.

WRECK ON L. and N.

Track Torn Up, But No One Killed or Injured

There was another freight wreck on the L. and N. yesterday afternoon at 1:45.

Northbound freight No. 96 in passing through the cut about a mile and a half south of the city, met with an accident in which three merchandise cars and two empties were wrecked.

The cause of the disaster is not known. The tender broke loose from the engine, left the track and, turned over on its side, causing the rest of the cars to pile up in a promiscuous heap.

Had the mishap occurred either side of the cut the derailed cars would have rolled down a steep embankment, with great consequent damages. As it was, the loss consisted largely in the tearing up of the track for several hundred yards and the delay in traffic for about fifteen hours, and the discomfort of passengers who had to be transferred to the city by vehicles.

The track was cleared by 6 o'clock this morning and trains running on regular time. While the damage was considerable, fortunately no one was hurt.

Mrs. James C. Carrick was operated on for appendicitis at the Good Samaritan Hospital, Lexington, Saturday afternoon. Late Saturday night she had revived from the shock and was resting fairly well. BRADLEY'S POSITION

Head Seems to Be Turned By Office—Should Not Control the Party

Louisville Post.

Gov. Bradley is one of those unfortunate men who cannot stand a little temporary and accidental success. The Republicans in the last Legislature tore their platform to tatters and sacrificed all important legislation to make Bradley Senator, and the work was accomplished by as odious an alliance as the party ever made.

After, with Democratic assistance, nullifying platform pledges for both parties, Gov. Bradley is sending his agents into every Republican District in Kentucky to stir up strife in the party, and to put party success in peril. In the Third District his campaign will serve only to imperil the election of a Republican Congressman, just as his activity here makes difficult the election of a Republican Congressman.

In the Eleventh District, failing to make Powers run against Edwards, a man named Matthews is sent into the District to attack Mr. Edwards and incidentally to denounce The Evening Post. When Bradley and his political guerrillas were silent or intimidated, and were doing nothing for civil liberty, when nothing less than \$1,000 could drag Bradley to Kentucky to take the stump for Yerkes and civil liberty, The Evening Post every day was demanding for Powers and every man accused a fair trial and was raising money to employ counsel for every innocent man in peril.

Today, under the diaphanous pretense of aiding Powers, Matthews and Bradley are roving over the State, seeking to revive the repudiated and discredited leadership of the past; to separate the Republicans of Kentucky from the progressive Republicans of the Nation, and to surrender every District in the State, that Bradley may reign alone at Washington.

The sooner the Republicans make it clear that Bradley does not control the party in any of its purposes the stronger will the party be in this State. Kentucky may be induced to accept the principles for which Roosevelt and Taft stand, but it will never accept Bradley, Hunt, Todd, Deboe and Matthews as their political leaders.

PRONOUNCED HIS CASE INCURABLE

Whole Body Raw with Eczema—Life was Intolerable—Was Even Incased in Plaster—Discharged from Hospitals as Hopeless.

SUFFERED 14 YEARS CURED BY CUTICURA

"From the age of three months until fifteen years old, my son Owen's life was made intolerable by eczema in its worst form. He was all right until a red rash broke out on his forehead, but we were not alarmed at first. Very soon, however, the rash began to spread over his head and shoulders, and it caused him great discomfort. I took him to a doctor and tried half a dozen other treatments, all with the same result: no improvement at all. The disease gradually spread until nearly every part of his body was quite raw. We had to strap him down in bed, for he used to tear himself dreadfully in his sleep. The agony he went through is quite beyond words. No one thought we would rear him. The regimental doctor, a very clever man, pronounced the case hopeless; at least, he said the only hope was that he might, if he lived long enough, outgrow it to some extent. We had him in hospitals four times and he was pronounced one of the worst cases, if not the worst, ever admitted. From each he was discharged as incurable; in fact he got worse under the successive treatments. At one hospital they incised him in plaster, and this seemed to aggravate the soreness terribly. He looked so badly that no one liked to go near him and his life was a burden to him. We kept trying remedy after remedy, but we had got almost past hoping for a cure. Six months ago we purchased a set of Cuticura Soap, Ointment, and Resolvent Pills and persevered with them. The result was truly marvelous and to-day he is perfectly cured, his skin not having a blemish on it anywhere. Mrs. Lily Hedge, 51, Vaughan Road, Coldharbour Lane, Camblewell Green, Eng., Jan. 12, 1907."

## STRINGENT LAW

Will Be Invoked By Governor to Punish Night Riders

Gov. Willson has addressed a letter to Adj. Gen. Johnston calling attention to a law passed several years ago, under which the night riders may be apprehended and punished and property may be guarded against injury or destruction, the guards to be paid out of the county treasury.

The act also provides that officials who fail to act when notified may be punished and that a witness cannot be exempt from testifying because his testimony may incriminate himself.

It is believed the enforcement of this act will solve the night rider troubles if they occur again in any part of the State.

## NIGHT RIDERS REQUEST COUNTY OFFICERS TO RESIGN

Two Robertson County Magistrates and the Road Supervisor Obey the Demands of the Band

CARLISLE, Ky., April 20th. —Night riders waited upon Magistrates O. P. Overly and Reuben Dothan of Robertson county and requested them to resign at once, and they have done so.

These Magistrates had refused to vote for an appropriation for a new turnpike in the county.

Magistrate Bradley has signified his intention of resigning before being asked to.

The night riders also requested Road Supervisor Bruce Massey to resign his office, which he immediately did.

This will leave the county without any Magisterial government until others can be commissioned by the Governor.

## MANY INFLUENTIAL PEOPLE ADOPT NEW THEORY

Statements from Followers of Cooper Obtained Recently in Various Cities.

A number of statements from prominent people located in various cities where the widespread discussion over L. T. Cooper's new theory regarding the human stomach has recently waged, give an idea of the intense interest the young man has aroused during the past year. The statements are as follows:

Mr. C. D. Mitchell, of 2412 Avenue C, Birmingham, Ala., has this to say with regard to his belief in Cooper's medicine: "I have been troubled with indigestion and stomach trouble for the past year. I had heartburn, bloating after eating, gas on stomach and bowels, palpitation of the heart, pain in the lower part of my back, and various other symptoms, and was a victim of much distress. I tried many remedies, but received little or no benefit from them. I was advised to try the Cooper preparations, and did so. In one week's time I was improved wonderfully—the first relief I had been able to obtain. Mr. Cooper's medicine does all he claims for it."

Mr. J. O. Spradling, of 705 South Tejon Street, Colorado Springs, Colo., says: "I was troubled with indigestion for two years. It caused me a great deal of suffering and misery. I did not dare to eat meat at all, and everything I did eat soured on my stomach. I tried various remedies, but found no relief. Three months ago I started

taking Cooper's New Discovery, and after using the contents of three bottles I was entirely cured. I can now eat and relish anything that my appetite craves. The New Discovery is truly a great stomach medicine."

Mr. Wm. Codier, of 408 Graves Street, Syracuse, N. Y., is very strong in his expression of belief in the new medicine, and has the following to say on the subject: "I have suffered from catarrh of the nose and throat for four years. It must have been communicated to my stomach, for all this time my stomach has given me a great deal of trouble, and caused me much pain and suffering. My stomach was often sour, and my food did not digest. I was bothered by a continual desire to spit, and there was a constant dropping of mucus into the throat."

"The first relief I have been able to obtain is from Cooper's New Discovery, which I have been taking for about a week. My catarrhal condition has been greatly improved and my stomach is almost well. Mr. Cooper's medicine has benefited me more than anything I have ever used."

These statements are from reliable citizens in various communities who have tried these celebrated medicines. We sell them and will gladly explain their nature to any one interested. —T. J. Chenoweth.
